RE: Del Rio Trail Project Construction

Please note new website for construction updates: delriotrailconstruction.org

Dear Resident and/or Business Owner,

We are pleased to announce that construction on the Del Rio Trail Project is now underway. This letter is to inform you in advance of tree cutting, trail grading, paving, and other essential operations that will begin on December 19th, 2022. The project is being completed under City Project No. K15165100 and Federal Aid Project No. ATPL-5002(189). Mountain Methods, Inc. (MMI) is the general contractor performing the work.

Construction activities will continue through February 2024. MMI will maintain access to driveways at all times during construction.

The City will keep you updated through e-newsletters, signage and the construction website at delriotrailconstruction.org. Keep the QR code below handy to access the website quickly and easily.
